## DWI EDUCATION PROGRAM

The Anoka County DWI Education Program is for first-time offenders who do not appear to have a chemical dependency problem. This one day, level-one education program replaces the long-standing Anoka County Two-Day DWI Program. Its content continues to challenge thinking errors leading to DWI. The program is held at Anoka County Community Corrections Walker Cottage located in Lino Lakes and is facilitated by trained staff from Riverplace Counseling Center.

Out-of-county offenders are allowed to reschedule once without their probation officer's approval. If they need to reschedule again, we require approval from their probation officer.
