2010 Accomplishments:

- RJC, partnering with HSI out of Stillwater, MN, completed the first full year of the “New Choices for Adolescents” substance abuse on-site outpatient program. The program has had fifty referrals since its inception and all youth have successfully completed the program.
- RJC introduced a 21-day secure diagnostic program in February of 2010. The goal of the program is to coordinate information for the placing agency to make sound recommendations at court regarding the youth. RJC staff complete behavioral, school, and medical assessments. A licensed psychologist is also brought in to complete a full psychological evaluation. This information is then provided to the placing agency to make recommendations for possible placement and/or programming needs.
- Provided a variety of summer school activities and community speakers including: Alexandra House, Birds and Bees, Genesis II – Life Skills, MADD Panel, Bundles of Love Community Work Service, Dog Therapy,

2010 Outcomes: RJC completed three surveys in 2009: Referring Agent, Parent and Youth.

- Twenty-six Referring Agent surveys were completed in 2010. All surveys returned had an overwhelming positive response to all services provided to agencies and the youth placed in the facility.
- 145 Parent Surveys were completed in 2010. The three areas with the most positive response were meeting basic needs of the youth while placed, providing a safe environment for the youth, and professionalism of the staff. An area for improvement noted in the survey was more regular contact by the assigned primary counselor. This area has been made a priority for 2011 and beyond.
- 193 Youth Surveys were completed in 2010. All surveys returned had significantly positive responses on all target areas.

2010 Per diem: \$205- member county; \$225- non-member county
