

Bike Lockers

Several locations, including many light-rail stations, have **bike lockers**, which are safe, waterproof storage for a bike and equipment. Rental during biking season (April 1—November 30) costs \$40 plus a refundable \$25 damage deposit. Other terms are available. For information on bike locker locations visit:

Bike lockers are available at the Riverdale Park and Ride Lot in Coon Rapids. Contact the Anoka County Transit Office at 763-422-7141 for more information.

Bike Racks

The Northstar & Ramsey Star do not have bike racks but a bike can be stored in the luggage bays. Please ask your driver to load the bike for you.
